GAYANI IRESHA WEERASOORIYA

gayani02iresha@gmail.com | +94 77 245 5486 | LinkedIn | GitHub

PROFESSIONAL SUMMARY

HNDIT undergraduate at SLIATE with hands-on experience in full-stack web development using React.js, Node.js, and Express.js, along with Laravel (PHP). Skilled in developing RESTful APIs, database-driven web applications, and user-friendly interfaces. Strong foundation in problem-solving, teamwork, and leadership gained through academic projects and extracurricular activities. Eager to apply technical knowledge and gain practical experience in a professional IT environment.

EDUCATION

Sri Lanka Institute of Advanced Technological Education (SLIATE) – ATI, Ratnapura **2026 – Present**
Higher National Diploma in Information Technology (HNDIT) GPA: 3.89

MR/Deniyaya St. Matthew's Bilingual College **2022**
G.C.E. Advanced Level – Commerce Stream; Economics (C), Business Studies (C), Accounting (C)

R/Emb/Ittakanda Sinharaja Maha Vidyalaya **2018**
G.C.E. Ordinary Level; A – 2, B – 1, C – 4, S – 2

SKILLS SUMMARY

Languages: JavaScript, Python, Java, PHP

Web Development: React, Node.js, Express.js, Laravel, Tailwind CSS, HTML, CSS, Vite

Databases: MySQL, MongoDB

Tools: Postman, Figma, draw.io, Microsoft Office

Platforms: Git, GitHub, Visual Studio Code, IntelliJ IDEA, NetBeans, Visual Studio, Google Colab

Soft Skills: Problem Solving, Teamwork & Collaboration, Communication, Time Management, Adaptability, Leadership

AI-Assisted Development Tools

- Familiar with using AI-assisted tools to support software development tasks, including code assistance, debugging, documentation, and problem-solving.

PROJECTS

StudyMate – AI-Powered Study Companion **2026**
github.com/GayaniIresha/studymate

- Developed a full-stack AI-powered study application to help students manage notes, generate quizzes, create flashcards, and receive intelligent study assistance.
- Built the frontend using React and Vite, developed RESTful APIs with Node.js and Express.js, and integrated MongoDB for data management.
- Implemented an MCP server to provide AI-powered features such as note summarization, quiz generation, and concept explanations using Claude.
- Technologies: React, Vite, JavaScript, Node.js, Express.js, MongoDB, Mongoose, Claude MCP.

Mushroom Mate – E-Commerce & Cultivation Management System **2026**
Academic Individual Project | HNDIT 4052 – Programming Individual Project, SLIATE
github.com/GayaniIresha/mushroom-mate

- Developed a full-stack web platform connecting mushroom farmers directly with customers using React, Node.js, Express.js, and MySQL.
- Built a customer portal for browsing, searching, filtering, and purchasing mushroom-related products with cart and checkout functionality.
- Developed a farmer dashboard for product CRUD operations, inventory management, automatic stock deduction, and low-stock alerts.
- Implemented order management features and sales analytics dashboards for farmers to track and fulfil orders.
- Designed and implemented RESTful APIs, tested with Postman, and modelled system interfaces using Figma and draw.io.

Task Manager Web Application | Laravel, PHP, MySQL, Bootstrap **2026**
github.com/GayaniIresha/task-manager

- Developed a full-stack CRUD web application using Laravel framework.
- Implemented MVC architecture with Eloquent ORM for database operations.
- Designed responsive UI with Bootstrap 5.
- Built RESTful routes with form validation for secure data handling.

CERTIFICATES

Build Full-Stack AI Apps with MERN, n8n & Automation | AcademyDSJ **In Progress**

- Currently pursuing a live cohort course covering MongoDB, Express.js, React, and Node.js to build AI-powered, automated web applications.
- Learning workflow automation using n8n, integrating AI features into full-stack MERN applications.

Information & Communication Technology Diploma (Job-Oriented) **Mar 2023**

- Completed a job-oriented ICT diploma at the Computer Resource Centre, Deniyaya Zone, conducted by the Ministry of Education.
- Gained foundational skills in computer applications, software use, and digital literacy.

Leadership Development Programme for School Prefects **Jul 2018**

- Completed a leadership training programme at the National Centre for Leadership Development, Yodhagama, Embilipitiya.

HOPE 2016 Divisional Youth Camp **Oct 2016**

- Participated in a youth development camp organised by the National Youth Services Council and the Sri Lanka Federation of Youth Clubs.

EXTRACURRICULAR ACTIVITIES

Head Prefect – R/Ittakanda Sinharaja Maha Vidyalaya

- Led the school prefect board and maintained school discipline as Head Prefect.
- Coordinated and organized school events, ceremonies, and student leadership activities.
- Developed strong communication, teamwork, leadership, and decision-making skills through leadership responsibilities.
